The Daniel Robins in the Kingswood Quaker records (pg 10, 1758 marriage intentions) would seem to be Daniel IV or V as 2-Daniel was born in 1692. Since the girl is not named, she was likely a Quaker from another meeting. Swarthmore does not show a Phila. YM meeting in Flemington; if there was one there it may have been part of the NYYM.

The NJ map shows the town of Kingwood (NOT Kingswood) to be about 10 miles SW of Flemington near the Delaware River and it seems likely to be the site of Kingswood meeting house. This meeting is under Phila. YM.
