1830 census for Blacklick Township, Indiana County, Penn.

1. Ezekiel Robbins 1 male 20-30; 1 female 0-5; 1 female age 20-30

2. Daniel Robbins 1 male 0-5; 1 male 20-30; 1 female 20-30

3. John Robbins 1 male 10-15; 1 male 15-20; 1 male 50-60
1 female 5-10; 1 female 20-30; 1 female 30-40

This John Robbins had occupation as shoemaker (same as my Robbins in Mercer County, Penn. and here in Iowa) Also gave land near a Quaker church for use of a cemetery.

Ezekiel Robbins found on 1880 census in Nevada County, California. age 74; born 1806 in Penn. Father born New Jersey. Mother born Penn.

Daniel Robbins found 1850 in Indiana County, Penn. White Township.

John Robbins; maybe father of Ezekiel and Daniel. Also maybe father of another John Robbins born 1800 in Penns. who married a Elizabeth Bronson 1827; moved to Mercer County, Penn. by 1840; to Iowa in 1850.

I am a descendant of John Robbins & Elizabeth Bronson here in Iowa. Trying to prove or dis-prove this line. But Bronsons also lived in Blacklick Township of Indiana County, Penn. at the same time. Elizabeth Bronson, daughter of a Thomas Bronston according to his will.

Steve

Steve <lakeman12002@yahoo.com> wrote: You know of any information about an Ezekiel Robbins? Went to California gold fields. Son of John Robbins and Elizabeth Repine of Blacklick Township, Indiana County, Pennsylvania. Found Ezekiel Robbins in Cal. census of 1880.

I suspect the compiler of this information was/is Kevin K. Mittge. I have a copy of his book "The Oregon Trail Families: The Robbins and Herrens of the Pacific Northwest." The "book is about seven different branches of the Robbins family,... all related, that emigrated to the Pacific Northwest in the 19th century." The Family History Library has copies as well. It is, indeed, a treasure trove of information and is fully indexed. Brian, I looked in the index and did not find an Ephraim (I hope I'm remembering correctly that that's the name you were researching). I've corresponded with Kevin and, even though we both live in the Northwest, our Robbins lines are not connected.
