Chris,

This is from Charles R. Hutchinson's "Robbins Burying Ground Inscriptions", compiled by CRH in the late 1800's .
"Abigail, wife of Thomas DeBow died Oct 27th 1870 aged 82 years 10, months & 10 days." This is consistent with your information.

I posted the Elijah Robins Bible record in the group's file. It gives the birthdate of Joseph Robins as Oct 1, 1743. This is the Joseph that married Jane Hoopes of Edgemont, PA. I don't know the death date or place of Joseph or Jane but they were living in Del. Co. Pa on 10/15/1768 when they applied for a marriage license at Phila, PA. They may have died in Del Co., PA or migrated with their children who went to western PA & Ohio. Some sources for this couple are found in the Hoopes Family Record, compiled by the Hoopes Family Organization, Houston, TX & "Genealogy of the Smedley Family, Settlers in Chester Co., PA." by Gilbert Cope pub 1901, Will of Abraham Hoopes of Edgemont, PA, Will of Richard Robins of Edgemont, PA (brother of Joseph) & others.

Abigail Robins wife of Thomas DeBow is listed among the above genealogy sources as a child of Joseph & Jane. However, CR Hutchinson writes Abigail wife of Thomas DeBow was the daughter of Joseph Robins son of Zebulon Robins b. 1735. CRH seems to be incorrect on this connection for Abigail as he find he was on her death date. Maybe you or someone else has a thought on it.

There is information in the group's messages # 147 & 148 where Carol G & Gary R have posted on Joseph Robins Rev War Vet & Meribah Salter Robins wife of a Joseph Robins.

Sara
