Facts

Age 0 — Birth

Abt. 1747 • Devon, England

Possible match for christening 3rd Jan 1750 at Little Torrington, father James Lake, mother Grace. Unlikely as there is another son called Thomas 1754 so the first one presumably died

Age 21 — Marriage

25 Jul 1768 • St Giles in The Wood Parish Church, Torrington, Devon

There is another entry for their marriage 1772 which has been scored through - obviously entered in error but why on earth?
